THE ACHIEVERS IAS ACADEMY

1. India 's first private sector rocket Vikram - S will be launched from 12 to 16 November

India's first privately developed rocket Vikram-S is ready for launch between November 12 and 16, Hyderabad-based space startup Skyroute Aerospace announced on Tuesday. Skyroute Aerospace's maiden mission, codenamed 'START', will carry three customer payloads and is ready for launch from the Indian Space Research Organization's launchpad in Sriharikota. Pawan Kumar Chandana, CEO and co-founder of Skyroute Aerospace said that a launch window between November 12 and November 16 has been notified by the authorities, with this mission Skyroute Aerospace is India's first private space launch vehicle to launch a rocket into space. The company is ready to be Which will usher in a new era for the space sector. It was opened in 2020 to facilitate private sector participation. The Vikram-S rocket is a single-stage sub-orbital launch vehicle that will carry three customer payloads and will be used to test and validate most of the technologies in the Vikram series of space launch vehicles, Naga Bharat Daka, Chief Operating Officer, Skyroute Aerospace, said in a statement. will help. It was because of the invaluable collaboration of ISRO and the Indian National Space Promotion and

Authorization Center (IN-SPACE) that Skyroute could prepare the Vikram-S rocket mission in such a short time. Skyroute's launch vehicles to be named 'Vikram' as a tribute to Vikram Sarabhai, the founder of the Indian space programme. Is placed. Hyderabad-based Skyroute manufactures state-of-the-art space launch vehicles to launch commercial satellites into space. It aims to remove entry barriers to cost-effective satellite launch services and spaceflight, while pursuing its mission of affordable, reliable and regular spaceflight for all, the statement said.

2. Uttarakhand again hosted the National Cold Games

Uttarakhand has once again got the host of the National Winter Games. National Winter Games will be organized in Chamoli's Auli from February 2 to 5. Apart from this, the International Ski Federation will also organize the Himalayan Trophy. The Department of Tourism has made full preparations for the said events. Teams from different states including Uttarakhand will participate in these games. The National Skiing Championships 2023 will have a total of four events. Players from both men's and women's categories will participate. In addition, there will also be an FIS approved

THE ACHIEVERS IAS ACADEMY

Giant Slalom Race for men and women on February 7-8 as part of the Himalayan Trophy 2023. Tourism Minister Satpal Maharaj said that Uttarakhand is fully prepared to host these events. It is to be known that Auli also has mountaineering and skiing institutes run by GMVN, Where experts groom talent in skiing. The tourism department has also prepared a master plan for Auli. It has been sent for cabinet approval. Apart from this, construction of three and a half kilometer racing slope is also proposed here. With this, Auli will be established as a great skiing destination for skiing professionals. About 70 per cent of the construction work for the National Games to be held in Uttarakhand in the year 2024 has been completed. The remaining construction work will also be completed in six months.

3. Kerala becomes the first state to implement uniform gold price across the state

Kerala has become the first state in India to introduce uniform price trading of gold on the basis of bank rate. In a meeting between officials of Malabar Gold and Diamonds, one of the country's largest gold and diamond retail chains and key members of All Kerala Gold and Silver Merchants'

Association, it was decided to keep the price of 22 carat gold of 916 purity uniform. Commenting on the development, M P Ahmed, Chairman, Malabar Group said, "We are extremely happy to be a part of this momentous occasion. We would like to thank all the members of the jewellery business in Kerala for coming together and introducing a standardized gold rate. The move will go a long way in protecting the interest of consumers across the state and bringing price transparency in business. At Malabar Gold & Diamonds, we have taken the initiative to introduce uniform gold price across all our stores in the country with our 'One India One Gold Rate' policy. He said, "Kerala being a top gold consuming state in the country can set the stage for uniform gold price across the country.

4. Maura Healey elected first lesbian governor in US history

Democratic Attorney General Maura Healey has been elected governor of Massachusetts, making history as the nation's first openly gay governor. Healey, the state's first woman and openly gay candidate for office, defeated Republican Geoff Diehl, a former state representative who had the support of former President Donald Trump. His election returns the office of governor to Democrats after eight years of Republican
