⇒ **Proposed oil refinery leaves villages in the Konkan belt farming.**

Ratnagiri Refinery and Petrochemicals Limited (RRPCL) is a multi billion dollar project of IOCL, BPCL, HPCL, Saudi Aramco and Abu Dhabi Nations Oil Company (ADNOC).

It will capture land of six villages Barsu, Solgaon, Devache Gotheme Shirne, Goral and Dhopeswar with BARSU being the major location The project is facing protest by local people and people are concerned of its effect on environment Shiv Sena (UBT) has also come in support of protesters.' Police has deployed 1,800 personnel and detained 7,00 people amid protests.

The project cost is around 3 lakh crore and will create huge employment opportunities.

Konkan region is ecologically sensitive. Cashew, Paddy, Mango are some major agricultural produce from this area.

⇒ **Recent rain likely to expand cotton forming in the north**

Agriculture experts has said that recent rain will help to cotton in Northern states.

Currently sowing period of Cotton is going on. Rain helps placing up of sowing. It also prevent the problem of burning amid high heat Due to rain soil moisture will be more and use of ground water len, benefitting farmer

In states like Haryana, Punjab and Rajasthan farmers are moving away from guar and Moong dal sowing, they are going for Cotton as it will fetch high income. Farmers are using Bt cotton mostly.

Government policy is to diversity cultivation.

⇒ **10 Indian languages to get technical term dictionaries..**

The Commission for Scientific and Technical Terminology (CSTT), under Ministry of Education is working on Technical and scientific terminologies in 10 Indian languages that are under represented in the learning landscape.

Bodo, Santhali, Dongri, Kashmiri, Konkand, Nepali, Manipuri, Sindhi, Maithli and Sanskrit are part of 8th schedule of Constitution. HoweOver there is paucity of study materials due to lack of words to describe technical terms and scientific phenomenon CSTT will bring out fundamental (basic) dictionaries with 5,000 words per language, in 3-months.

It will be available in digital format and about 1000-2000 copies of dictionaries will also be printed and distributed

The terms will cover subjects :

Journalism, public administration, Chemistry, physics, economics, Ayurveda, mathematics, Computer Science, political science, agriculture, civil) and electrical engineering. This will enable text book formulation at middle and senior as well University Jewel.

N.EP (New Education Policy) 1220 promotes regional languages as medium at both school and college.
