1 Indian Air Force's Central Command conducts exercise 'Ranvijay' in Prayagraj

The Indian Air Force continuously conducted the Rannvijay exercise to keep itself strong. During this, the Air Force displayed all its forces. That the eight-day Rannvijay exercise was conducted at UB Hills and Central Air Command Area of Responsibility. It focused on integrated operations using electronic warfare capabilities in the exercise. The Indian Air Force is about to organize a multinational air exercise. The exercise will be conducted in the Western Desert. This will include the Air Force of other countries including American. That multinational maneuvers will be organized in the last quarter of this year. Air forces from 10 to 12 countries will participate in the exercise. The multinational exercise to be held in the desert will be the largest in the history of the Air Force. Rafale and Sukhoi-30 will be mainly involved in multinational maneuvers. Apart from this, the strength of other aircraft was also demonstrated.

2. Rupa Pai's book titled 'The Yoga Sutras for Children' launched

Following up on her award-winning bestselling book 'The Gita for Children', author Rupa Pai's upcoming children's book will uncover the secrets of Patanjali's 2,000-year-old text on yoga. 'The Yoga Sutras for

Children', published by Hachette India, aims to integrate the practice of yoga into children's everyday lives by helping them harness their mental power to bring out the best in themselves. The book shares Maharishi Patanjali's techniques for "nurturing energy and attitude, enabling them to do things small and large in a focused and balanced manner." Featuring black-and-white artwork by illustrator Sayan Mukherjee, this book helps young readers approach their complicated lives with positivity and confidence. The secrets of Patanjali's 2,000-year-old text are both fun and accessible in this 'surprising' and 'dazzling' book.

3. Central government launches 'Nandi Portal' for veterinary medicine and vaccines

The Ministry of Fisheries, Animal Husbandry and Dairying has taken a significant step towards streamlining the regulatory approval process for veterinary drugs and vaccines with the launch of the NANDI portal. The objective of the portal is to timely process the applications and provide No Objection Certificate (NOC) for these essential products. The manual system of granting permissions for import, manufacture and marketing of veterinary drugs and vaccines has been replaced by the Nandi portal. This digital platform is seamlessly integrated with Sugam portal of Central Drugs Standard Control Organization (CDSCO) and Drugs Controller General of India will now be required to submit their applications for NOC through Nandi portal. The application will be sent to the Animal Husbandry and Dairying Department from the CDSCO Sugam Portal. Easily submit your dossier online using a single login credential,

4. 'Kharchi Puja Festival' begins in Tripura

THE ACHIEVERS IAS ACADEMY

The age-old seven-day colorful Kharchi Puja began in Tripura with traditional fervor and rituals, with 14 deities being worshiped simultaneously. Prime Minister Narendra Modi has greeted everyone, especially the people of Tripura, on the auspicious occasion of Puja. May the blessings of Chaturdash Devta be with us always. Wishing everyone wonderful health, success and prosperity. Tripura's Tribal Welfare Minister Rampada Jamatia inaugurated the famous seven-day Kharchi Puja at the former state capital Puran Habili, seven km north of the state capital Agartala, in the presence of dignitaries and people from different parts of the country. The annual Kharchi Puja and festival is meant to purify the sins of mortal souls. Originally a Hindu tribal festival, it is now celebrated by all communities and religions. With colorful marquees, lights, religious rites and chanting of mantras amidst the beat of drums,

5. Assam's first underwater tunnel to be built under Brahmaputra

Assam Chief Minister Himanta Biswa Sarma recently announced the construction of Assam's first underwater tunnel connecting Numaligarh and Gohpur. This groundbreaking project, with an estimated cost of Rs 6,000 crore, will be the first rail-road tunnel under the Brahmaputra river in Northeast India. Prime Minister Modi has also given the green signal for the construction of the tunnel. The project received strong

support from the high command in Delhi, The construction of an underwater tunnel under the Brahmaputra river is of great importance for Assam and the Northeast region. By connecting the northern and southern banks of the river, the tunnel will significantly improve connectivity between Numaligarh and Gohpur, making travel more convenient and efficient. With a length of about 15 kms, It will bring a transformative change in the transport infrastructure of the region. The Numaligarh-Gohpur underwater tunnel is expected to bring substantial benefits to the region. It will enhance opportunities for trade and commerce, improve connectivity for residents, and boost tourism. Currently, crossing the Brahmaputra River requires the use of ferries or bridges,

6. India won a total of 202 medals in the 16th Special Olympics World Games 2023 held in Germany

The Indian team concluded its Special Olympics World Games in Berlin with a stellar performance. India secured 76 gold, 75 silver and 51 bronze medals. Ended the campaign with 202 medals. Prime Minister Narendra Modi extended his best wishes to the Indian contingent for the Special Olympic Games. Ended up with gold medals in athletics. Indian athletes showed their prowess on the track and earned a total of six medals. Aanchal Goyal emerged victorious in the Level B women's 400m event. While Ravimati Arumugam topped the Level C women's 400m race. The Indian contingent consisted of 198 players and unified partners who competed in 16 sports. 7. UP launches 'Operation Conviction' for cow slaughter

The Uttar Pradesh Police has recently launched a comprehensive program called 'Operation Conviction' to tackle criminals and organized crime in the state. The strategic initiative is aimed at speeding up the conviction process especially in cases related to rape, murder, cow slaughter, religious conversion and heinous crimes registered under the POCSO Act. By ensuring prompt arrests, robust evidence collection, careful investigation and effective representation in courts, the authorities aim to reduce the time it takes criminals to face justice. From the year 2017, the state government is implementing the policy of zero tolerance towards mafias and criminal elements. Taking this approach further, The government has launched 'Operation Conviction' to identify and prioritize 20 cases in each district. This concerted effort reflects the administration's unwavering commitment to maintain law and order as well as curb organized crime. To facilitate speedy trial, the District Police Chiefs shall co-ordinate with the District Judges in their respective jurisdictions.
