➔ **Shah appeal for peace in Manipur backs CM Biren**

Debate on no confidence motion started in Lok Sabha on Tuesday . On Wednesday Home Minister Amit Shah put on govt position on Manipur .In a two hour speech he touched several related issues

Cause of violence

He denounced violence . The cause he told was Kuki Zomi tribe migrating from Myanmar after military takeover of power there . And them Manipur High court judgement was immediate cause . He told that a total 152 have died till now in violence .

Defended CM Biren Singh

Amif demands that CM of Manipur be removed and President rule be imposed in Manipur . Mr. Amit Shah told that CM is removed to impose president rule when CM is not "cooperating " but in Manipur case CM is totally cooperating .

" We sent new Chief secretary for the state , changed DGP and security advisor and CM cooperated in that " .

About politicizing such incidents

He told that it is shame that such incidents like Manipur happen but it is worse that politics over such incidents happen. He cited Rahul Gandhi visiting Manipur in which initially he refused to take helicopter but after creating ruckus for few hours later he took helicopter .

Appeal to Communities in Manipur

He appealed both communities in Manipur to to shun violence and enter into dialogue with each other and with union govt .

➔ **No police operations without presence of central forces , Shas assures Kuki - zo team**

Union Home Minister Amit Shah held a meeting with delegation members of Kuki Zo community

The members of Indigenous Tribal Liberation Forum (ITLF) members participated in talk . Following outcomes was there

Home minister Amit Shah asked Kuki Zo leaders to restore peace in the region before political talks are held

He assured that Manipur police will not conduct operations in the hill areas without presence of central security forces . All checkpoints leading to hill areas will be looked by Assam files .

ITLF put 10 demands before govt that included deployment of more forces in buffer zone , establishing a office of Lamba Commission of inquiry in Churachandpur .

HM asked Kuki Zo community to defer it's plans to burial of 35 members of S Bolijang village that was initially planned on August 3 . HM asked change in burial site as it fall in conflict zone .Earlier Manipur High court had restricted Kuki zo plans of burial of 35 members in Bojang village , the stay has been extended till 30 August till next hearing.

One member on condition of being anonymous said that whenever they insisted on political solution , HM called for peace first .Kuki Zo leaders are demanding separate administration .

➔ **Develop indigenous web browsers grab cash prize**

Ministry of electronic and IT (MEITY) on Wednesday announced a cash prize of ₹3.4 crore for developers who help to create an Indigenous web browser " for the world " But the browser ideas will have to trust Controller of Certifying Authority (CCA) , the INDIAN govt's authority and Security socket layer certificate (SSL) .

The certificates such as SSL and CCA verify that makes sure that the website encrypts itself and thus tells about safety of link visited . It prevents attack from viruses . SSL certificate is generally what browsers like Google Chrome , Microsoft Edge , Mozilla Firefox use . CCA is issued by Indian authorities and no companies generally use it . Govt wants to reduce its dependence of foreign web Browsers and certificates both .

➔ **Ro Khanna to raise human rights issue during India visit : US civil rights group**

Ro Khanna an Indian American US congressman will lead US Congress delegation to India on eve of Independence day . Ro Khanna has told that discussion on human rights in India will be top priority for India . He has met Indian American Hindus and Muslims both .THE delegation will participate in PM's 15 August speech at Red fort . HE will meet PM Modi and EAM S.jaishankar on his visit . The other issues to be discussed will be decarbonization , climate change , digitalization and economic cooperation .

➔ **Jammu and Kashmir constitution limited Executive powers of Union of India , says SC**

Heraing over constitutional validity of abrogation of article 370 is going on in Supreme Court .On Wednesday CJI DY Chandrachud asked why no govt tried to abrogate Article 370 and bring Jammu and Kashmir expressly under the ambit of Indian Constitution .

"post 1957, neither the govt not the legislative assembly of J&K not for that matter political establishment in the rest of the country thought it to amend Indian constitution to bring J&K expressly under the fold of Indian constitution ." Hequestioned " was it all all necessary mto amend the Indian constitution to constitution in order to recognise some other constitution ? Was it necessary to put fetters on power of parliament

World

➔ **Pakistan parliament to be dissolved to set stage for election**

PM Shahbaz Sharif told that he would advise President to dissolve parliament . The five year term of parliament is going to expire on August 12. Poll may be delayed because election body being busy with formation of new constituency following census .

In 2018 polls Imran khan's party PML hademerged as winner .

➔ **China's economy tips into deflation**

Recently released data by China's national bureu of Statics (NBS) says that China's Consumer Price Index of China dropped .3% in July on year on year . Production Price Index (PPI) declined for 10 th consecutive term by 4.4%. China CPI inflation target is 3%.

Deflation is a situation of persistant declining of commodity prices It is just opposite of Inflation . The reason behind deflation is said to be decline in demand .Also manufacturing sector and service sector have very different trajectories of growth .

➔ **Focussing on 13A without policing powers "practical" Ranil tells house .**

Srilankam president in Parliament in Monday said said that it will be better to implement 13 A without giving police powers under it .

13 A talks about provincial elections and center sharing power with provinces .Police will come under provicial govt . Mr Ranil told that it will be better to keep contentious issues aside and move forward with a agreement on provincial power sharing . Tamil National Alliance (TNA) a group of Tamil MPs in Srilankan Parliament " categorically rejected " president proposal .

Srilanka has not seen any provincial govt since last 5 years . Even earlier though there were provincial govt but power was not devolvedas it should have . Tamil residing in nothern and eastern part of Island has been demanding for provincial election .

➡ **Uk voter data hacked by "hostile actors " :poll body**

UK election commission on Wednesday told that voter data had been hacked since August 2021 . However authorities became aware of breach only in October 2022 .by which time hackers had accessed all data . Data of nearly 40 million people have been compromised . There are many Indians also who has voting rights in general elections , their data also comes under this . Though no suspect has been talked about yer officially . Many senior officer says that Russia can be behind it .

➡ **Amazon nations to jointly fight deforestation**

Eight south American countries on Tuesday agreed to launch an alliance to fight deforestation in Amazon rainforest ,vowing to stop deforestation to stop from reaching" a point of no return" . Bolivia , Brazil , Columbia , Ecuador , Guyana , Peru , Suriname , and Venezuela signed a joint declaration in Belemnat the mouth of Amazon River .The agreement talks about a roadmap tompromo sustainable development , end deforestation and organised crime that fuel it.
