The special session of Parliament is going to be start on 18 september to 22 September .

The bulletin released on 13 September gave details that it will be held in New parliamentary building . It will be first session in new parliament building . Last parliament building built by Herbert Becker will retire after 96 years .

The subjects that will be discussed will be 75 years of Parliamentary function outcomes , learning etc . The bills that will be passed are Chief Election Commission and Election Commission appointment bill. Few other bills will also be passed .

Editorial accuses govt that in its decion making it has not opposition with into consideration

Pain and gain

TDP seems to have benefitted from its leaders arrest

➔ The editorial is about

The editorial is about the recent announcement of Jan Sena Party (JSP)Chief Kalyan that he will fight assembly elections with TDP as a coalition partner . He made this announcement after meeting . Last time in 201 8 TDP had collided with BJP in elections .

TDP chief is currently in jail and case of corruption for transferring skill development funds more than 300 crores is being investigated . It is highly unlikely that BJP will support TDP as it is against corruption .

In 2018 the main demands of BJP and TDP alliance was special status for the state ,as Hyderabad the jewel city was going out of Andhra Pradesh . The current government of Jagan Mohan Reddy has been targeted over his three capital approach .There are some political parties which is becoming closer to TDP after corruption charges citing Vendetta politics , TDP may get this support from these .
