➔ SC upholds SEBI probe , turns the spotlight on Hindenburg's ' conduct

The SC Wednesday given verdict over Hindenburg report and fall in Adani shares there after .

The SC trained the " spotlight" on Hindenburg " conduct " of Hindenburg Research , directing Security and Exchange Board of India (SEBI) and investigative agency of center to probe, and if necessary take " suitable action " if the losses suffered by Indian investors after Hindenburg report involved any infraction of law .

The 46 page Judgment has following key points :

- Three Judge Bench headed by CJI DY Chandrachud said that volatility in the aftermath of the Hindenburg report has impact only on individual scale and did not result in market volatility .
- The Judgement said that the investigation conducted by SEBI " inspires confidence " and was prima facie " comprehensive " , the market regulator had already completed 22 out of 24 investigations in the group . The court ordered SEBI to complete the investigation in two remaining cases within three months .
- The judgment refused to accept Petitioner contention that SEBI's amendment in Foreign Portfolio Investors Regulations and Listing Obligations (LODR) Regulations has been an exercise in " first opening a loophole and then plugging the loophole , with deferred effect " and has now affected the regulators investigation .
- The court rubbished the petitioners reliance on finding of Organised Crime and Corruption Reporting project that Adani Group manipulated it's shares prices through two Mauritius based funds and critical newspaper reports on SEBI investigation . Court said that no effort was made to verify authenticity of these reports .
- Supreme Court refused to transfer the case to CBI or any Special Investigation Team (SIT) .

➔ Who said what ?

Congress – Jairam Ramesh SC's decision to not transfer the case to CBI or SIT as "very generous " . He questioned extension of term of SEBI for three more months in 2 cases .

Gautam Adani – " Truth has prevailed , Satyameva Jayate "
